

CAS 2024

International Semiconductor Conference

October 9 – 11, 2024, Sinaia, Romania

SPONSORING OPPORTUNITIES

The International Semiconductor Conference (CAS), an IEEE event, provides an **exclusive opportunity for private companies to showcase the products and services and increase brand awareness** by directly connecting with researchers, academic experts, students in the field of **micro- and nanotechnologies and semiconductor devices**.

Conference topics:

- Nanoscience and Nanoengineering
- Micro- and nanophotonics and Optoelectronics
- Microwave and Millimeter Wave Circuits and Systems
- Microsensors and Microsystems
- Modelling
- Semiconductor Devices
- Integrated Circuits

Conference overview

- approx. 150 participants from research centres, universities and industry, in the fields of semiconductor components and systems & micro- and nanotechnologies
- plenary sessions with invited presentations
- technical oral presentations, including student papers
- poster sessions
- satellite and training events
- awards ceremony: Best Paper Awards and Best Student Paper Awards
- social events: Welcome Cocktail (Oct. 8), Banquet (Oct. 11), trip

Last conference edition - CAS 2023:

203 participants, 79 organisations from 25 countries; 101 papers; satellite & training events

Conference Organizing Committee

- General Chairman:** Dr. Miron Adrian Dinescu – IMT Bucharest, Romania
- Technical Program Chair:** Dr. Mircea Dragoman – IMT Bucharest, Romania
- Technical Program Co-chairs:** Prof. Gheorghe Brezeanu – “Politehnica” Univ. of Bucharest, Romania
Dr. Raluca Müller – IMT Bucharest, Romania

Location and Venue

The former residence of the kings, Sinaia is located on the Prahova River valley, east of the Bucegi Mountains, with the altitude varying from 767 to 860 m above sea level.

The conference venue, Hotel Sinaia, is perfectly positioned, a few steps away from the historical building of Sinaia Casino and close to Sinaia Monastery, Peles and Pelisor Castles.

CAS 2024

International Semiconductor Conference

October 9 – 11, 2024, Sinaia, Romania

Sponsorship Benefits

- Highly targeted marketing
- Increase brand awareness, high visibility of your company brand and expertise
- Showcase your latest products and services to a targeted audience
- Engage with the participants and speakers at the event, expand your network of contacts, develop collaborative partnerships
