International Semiconductor Conference CAS 2024

2024 International Semiconductor Conference (CAS) 9-11 October 2024, Sinaia, Romania

DESCRIPTION:

CAS 2024 conference provides an excellent opportunity for researchers, academic experts, students and industry specialists to meet and share ideas, recent achievements and challenges in the exciting field of micro- and nanotechnologies and semiconductor devices.

The participants will enjoy a comprehensive technical program including selected presentations in oral and poster sessions, invited lectures, special sessions for students, workshops, social events and the ceremony for Best Paper Awards and Best Student Paper Awards. The conference's Exhibition area welcomes companies to showcase their newest products and technologies.

Conference website: <https://www.imt.ro/cas>

HOW TO SUBMIT

The authors are kindly invited to register at our paper [processing system](#) and submit their contributions (both original papers and reviews are welcome). **We offer a discount to attendees of the conference. All attendees of conferences will receive a 20% discount for our Open Chemistry.** Please write about attending the conference in the cover letter. All manuscripts will undergo the standard peer-review process (single-blind, at least two independent reviewers) and will be treated in the same way as other regular articles (indexing, abstracting, immediate publication, etc.).

In case of any questions please contact Open Chemistry Managing Editor:
Malgorzata Komadowska (openchemistry@degruyter.com).
